Subject: **Recommendation Letter for Mr. Brian Kaykha**

To Whom It May Concern:

**Mr. Brian Kaykha** started in ETA-USA as UL liaison engineer. He worked in his position as well as the number of other positions which were given to him. He had been in charge of numerous projects as well as purchasing for them; his assignments included, planning, customer interface, vender interface, PC board layout using Orcad 9.1, Testing and manufacturing.

Brian has personable attitude towards his work and his colleagues. He worked in many different positions and managed to learn new tasks in process.

He can be an asset to any organization in many respects.  
I wish him good luck and prosperity in the future.

Sincerely

Amir Safakish  
ETA-USA  
President
